TENNIS CLUB

2010/2011

SEASON

CLUB NEWSLETTER
MARCH 2010

PRESIDENT'S MESSAGE

This year the committee would like to welcome back all members from last year. But we need to go further and encourage more people to join and ensure the vigour of the club. To this end we are going to have an open day on Saturday 24th April starting at 14.00 and ending with the Wimbledon draw at 16.00 in the club house. JA Tennis are in the process of sending leaflets including this open day to all schools in the area. Committee members and our coach Richard Holman will be available from 14.00 to meet anyone who wishes to learn more about the club and consider joining: people should bring their rackets and be ready to hit a ball with Richard. Members are welcome to come down to hit a ball with Richard and discuss coaching, but prospective members will have priority. If anyone would like to contribute to the open day, perhaps with some refreshments, please contact any committee member. Let's make the open day a success and expand the membership!

As mentioned above the Wimbledon draw will be at 16.00 on 24th April, which is about a month earlier than usual: this is because the LTA have changed completely the system for assigning tickets. Please read carefully the Wimbledon section in the newsletter to be sure you qualify for tickets and come equipped with all the information you need to claim any tickets you may win in the draw.

As I hope all of you are aware, Grayshott Parish Council is considering at present whether to endorse outline plans prepared for the Sports Field Committee which include a complete reorganization of the Recreation ground including moving the tennis courts next to a new pavilion: in essence the plans being proposed require the current tennis club land to be exchanged for shared equity housing in order to raise the money necessary for the sports field development. I know from a tennis perspective, many members are unhappy about the prospect of losing the benefits of our current location and are very concerned about congestion on the sports field, both with other sports and handling the extra cars: on the other hand there are others who put more weight on getting new courts, possibly with more run off area and all floodlit, right next to a new pavilion with improved facilities. Because there is no consensus on the issue within the club, the committee has therefore not suggested there is a common position on the desirability of moving. Rather we implore all members with a point to make either way to ensure they are heard directly by the Parish Council. The Parish Council itself is aware this is a controversial decision for much wider reasons than just moving the tennis club and has therefore chosen to have an open forum on the topic at the Parish Assembly on Friday 26th March 2010 at 8.00pm (see <http://www.grayshott.com/gePage1034.html>): please note only voters registered in Grayshott can speak at this forum, so get your written opinions in now.

In order to improve communication with and between members we have set up a Yahoo group. You should have received an invitation to join this group: if not please let me know directly or visit the group and request membership at http://uk.groups.yahoo.com/group/grayshott_tennis_club/. This group allows sharing of information online and via email between all members. Again, please ask if you are not sure why we are doing this and what are the benefits.

And finally, the club is run by volunteers: please become one and let the committee know if you would be willing to get involved in helping with the organisation.

Whenever possible, players will be paired up for a set of doubles on the basis of comparable ability. Please contact Robert Casalis de Pury (01428 604792) if you have any feedback or questions about Club Sessions.

TOURNAMENTS: The aim of the tournaments is to provide competitive fun for all members – it is the taking part, not the winning, that is important. Please read the listing at the back of the newsletter and put the dates in your diary. We will try to keep members up to date with events by email and using the Yahoo group.

THE SUMMER KNOCKOUT: The Mens Singles, Ladies Singles, Mens Doubles, Ladies Doubles and Mixed Doubles will be organised by Tony Parsons. Please join in by completing the enclosed slip. If numbers are sufficient, a Plate competition will continue for first round losers. Finals day is Sunday 11th July commencing at 12.00 for both Juniors and Seniors. Contributions for tea are appreciated.

MATCHES: We will continue to compete in the Aldershot Winter and Summer Leagues. Friendly matches with local clubs will be arranged, generally for Saturday afternoons, during the Summer. Please indicate on your Membership Form if you would like to play in matches. Senior match fees are £1.50 home and away.

COURTS AVAILABLE: Court Nos. 1 and 2 are Club Courts. Members may use them privately at any time except during Saturday mornings (9.00am - 1.00pm) when they are reserved for Juniors, during matches and Club sessions. Notice of forthcoming matches is given in the Clubhouse. Senior members must observe the priority given to Juniors on weekdays 4.00 - 6.00pm. Court No. 3 is a Public Court and if members of the public have booked it they have priority. It can be booked via 'Grayshott Books', The Square, (Tel. No. 01428 604798) at £5.00 per hour.

COACHING: Coaching at the Club is run and administered by Jasper Allen of JA Tennis (01420 473899, 07769 975097, www.jatennis.co.uk) year round for adult and juniors. Please contact him or the coach, Richard Holman, to join group sessions or to arrange individual coaching. Junior coaching starts on Saturday 24th April.

STANDARD OF DRESS: Members should wear proper sportswear whilst on Court. Special attention should be paid to footwear - tennis shoes, no trainers please. Committee members are empowered to ask anyone in inappropriate dress to leave the Courts.

COURT ETIQUETTE:

Please help to maintain good relationships with all our neighbours by keeping on court noise levels and language compatible within the norms of friendly competitive tennis. Any dealings with neighbours which may arise should be conducted in a courteous manner and any irresolvable matters should be referred to the President of the club or a committee member. Please do not enter any neighbour's property without permission to retrieve balls.

In addition, please observe the following established guidelines:

- If you are playing and members are waiting, you should give way as soon as you finish one set. At busy periods, members playing singles are encouraged to amalgamate with others to play doubles to make more court time available.
- If you are playing on Court 3 and members of the public, who have booked the court, arrive you should give way at the start of their booked period.
- If you are playing between 4.00 pm and 6.00 pm on a weekday and junior members are waiting, you should give way immediately.

SHOE TAGS: To help identify paid up Members, shoe tags will be issued when you pay your subscription. These will be left in the Clubhouse for collection. Please wear this tag whenever you are on Court and ask anyone not wearing a tag to leave the Court. Lost tags cost £1.00 to replace.

THE CLUBHOUSE: The Clubhouse is kept locked. Committee members have a key. Any other member wishing to have a key may purchase one from the Secretary for £3.00.

PARKING: Members are requested to park in the Sportsfield Car Park when spaces are available.

VISITORS: Members may bring friends to the Club for £2.00 per adult and £1.00 per junior each per visit, but may not bring the same person more than five times per year. Enter the name of your guest in the book in the Clubhouse and pay the fee into the suggestion box.

FLOODLIGHTING: Tokens are free to members and available in the Clubhouse. Please follow the instructions given.

TENNIS BALLS: New tennis balls will be provided for tournaments, club matches and knockout finals. Used balls will be available for club sessions. Please try to use your own balls at other times as this preserves the club balls.

WIMBLEDON: We have currently been allocated 9 pairs of tickets, predominantly for Centre and No.1 Courts, with a possibility of more closer to Wimbledon time. The draw will be held during our Open Day on 24th April, at 4p.m. To be eligible for the draw, paid up members must have their LTA British Tennis Membership number with them for reporting to the LTA and be at least 9 years old at the time of the draw. Anyone wishing to obtain tickets must attend and pay on the day. This year the LTA will only release the tickets to us once they have received the name and BTM number of each 'winning' member. You will therefore be given a receipt for your payment and your tickets will be delivered to you once we have them. Anyone unable to attend should advise either the President or Secretary and make arrangements for tickets to be paid for on the day and be available to sign the relevant forms when receiving the tickets. Note British Membership is free and you can sign up at <http://www.lta.org.uk/membership> - remember to enter Grayshott Tennis Club as your LTA Club.
